

# Fashion Makeup (Professional Course)

## Intro (課程介紹)

The Fashion Makeup professional course is an intensive 3 months certificate programme in which our students will learn the various techniques of makeup artistry from skincare, editorial to creative. This course will enable our students to explore different types of skin, human anatomy, male and female makeup techniques, color theory, texture and materials, and much more. At the end of the course our students are expected to create a unique makeup look for their final photo shoot with a professional team.

This course is ideal for those who wish to begin a career as a makeup artist in the fashion industry.
