

# Adobe Illustrator Workshop for Beginners

## Adobe Illustrator初階工作坊

### Intro (課程介紹)

The Illustrator Workshop for Beginners is an intensive one day workshop that will equip our students with the ability to master the software and create vector graphics professionally in a few hours. Through step-by-step instruction, our students will discover the fundamentals of workspace management, tools, rulers and progress into drawing complex vectors with the pen tool.

This workshop is ideal beginners who are looking to advance in designing logos, leaflets, product designs, etc.
